Help wanted!

4, 5 Oct., 2008

Delta Kaigan Judo Club is hosting an Instructors' seminar being put on by John Huntley, 7th Dan from Aberdeen Judo Academy. We have successfully hosted this event every year since we formed the club, and I hope this year we will continue to shine for this event.

In order to do this, we will need help in organizing and preparing for the seminar. We will need muffins, juice and water picked up and prepared. We will need coffee and tea organized for the mornings and coffee urns or kettles. We also need help setting up tables and chairs and putting the mats out on Friday night. If you would like to help, please contact one of the Senseis to offer your assistance.

18 Dec., 2008

This is the date for our Christmas party. If you are a parent that would like to help plan and help arrange this event, then you need to let one of the Senseis know.

It is a lot of work to run the club and all the Senseis are working hard on teaching your children what Judo can offer. It is great to have new ideas input into our club community, so here is a chance to have some fun!

Visit our web site for interesting and new information on shiai results, what is planned, upcoming events and member highlights.

You can start Judo any time!

This is a challenge to all of our club members, bring a friend and have them sign up and you get one free month of Judo! Look at the mutual benefit, you get to have fun in Judo with a friend, and they get to meet some great new people!
